Dear [Redacted]:

According to a recent report, a Mr. George A. Shindler went to 6th Army and announced to G-2 that he represented General E. K. Wright and requested certain information.

I do not anticipate that Mr. Shindler will visit your station, but if he should, he is an imposter and should not be given any information but should be treated in the same manner as other unauthorized officials visiting your station. To have disclosed all of this before so I shall not go into it further.

Sincerely,

L. K. White
